**Re: LRRC # 2012-047 (DSS # 11-10) – Electronic Health Records Incentive Program  
Request to Withdraw Regulation**

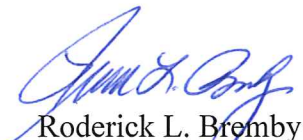

Dear Senator Roraback and Representative Davis:

On September 27, 2012, the Department of Social Services (“the Department”) submitted for your approval a regulation to set forth requirements for Medicaid provider participation in the Electronic Health Records Incentive Program. The proposed regulation is currently slated to be on the agenda for the November 27, 2012 Legislative Regulatory Review Committee (“LRRC”) meeting.

In reviewing the regulation again internally, the Department discovered an error that needs to be corrected before being reviewed by LRRC. Accordingly, we withdraw our request for approval of the above-referenced regulation to make this correction. The Department will resubmit this regulation for approval as soon as possible after the correction has been made and the corrected regulation has been reviewed by the Office of the Attorney General.

If you or your staff require additional information concerning this request to withdraw the proposed regulation, please contact Joel Norwood at (860) 424-5124.

Sincerely,

Roderick L. Bremby  
Commissioner
